Re: Koninklijke Philips Electronics v. Cinram
International Inc. (08-cv-515) – withdrawal of
motion to dismiss counterclaims

Your Honor:

In response to the call we received from chambers, I write to confirm that the Motion to Dismiss Counterclaims (Document 21), filed on April 23, 2008, should be terminated. Plaintiffs agreed to withdraw that motion upon the Court's granting defendants' motion for leave to amend. A Motion to Dismiss the amended counterclaims (Document 44), filed August 4, should still be pending.

Respectfully submitted,

Christopher J. Haupt
